GAIN MORE BUSINESS with the popular HFB BIKE/HIKE GUIDE

As bike tourism increases the e-Bike Guide now goes out quarterly to expand our circulation nationally with cost effective opportunities for listings/ads in the 2016 edition.

Now in our seventh year of producing the annual Bike Guide, both digitally and in print, the e-version will be produced four time each year so we can share your information and web-link nationally. Along with the 50,000 print copies, the e-version will allow us to spread your information ten-fold, with readers looking for bike friendly information and destinations to visit.
